

Dear boys and girls

I hope you are all okay at home. I am missing seeing your smiling faces in Room 9 everyday. I am staying safe at home with my family. Every day my boys do a little bit of schoolwork and spend some time reading before they go outside to play. I read Niamh stories, her favourite story is The Elves and the Shoemaker. I will read it for you when we go back to school.

I hope you are all being good for your Mammy or Daddy and doing some reading and writing too. If you have brothers or sisters at home don't forget to be kind to them and remember you can have lots of fun playing games like hide and seek – my boys love it! I miss you all very much and hope that we will be back to school soon but until we are back stay safe at home, be good and keep washing your hands!

Lots of love from Mrs McKenna xx

Happy Easter
