

Hi Girls and Boys.

What a year it has been?

It has certainly been very different from any other year at school that even we teachers have had, so it is certainly very strange for you. This is something we will remember for a long time to come.

Looking back over the year we had some very exciting things happen. We had fun!

In September we moved into our new classes and made lots of new friends in that class, we also got to know our new teachers.

In October we had great fun preparing for Halloween and dressing up in fabulous costumes.

In November we celebrated Science week and we went to the library for some great fun.

December as always is a very exciting month, we went to the church and sang Christmas carols for all our families and ended on the day of the holidays with a very special visitor – Santa!

We returned to school in January continuing to enjoy all our favourite things like soccer and Aistear.

February brought lots of fun too with Valentines Day and Pancake Tuesday. The pancakes were yummy!

During all these months you were so lucky in Senior Infants as every day Mrs. Mc Phillips and Miss Burns came into our rooms for reading. You are all super readers now because of their help.

In addition to this we had stations every day with Mrs. Connolly, Ms. Power, Mrs. Lavery, Ms. McAnerney , Ms. Choi and Mrs Corrigan. We learned lots of maths and english during stations.

This year as we prepared for St. Patrick's Day unfortunately the school had to close due to Covid 19. This is when you started to learn in lots of different ways, including online. We missed you lots and lots.

We are super proud of you all for what you have achieved this year. It has been a pleasure to teach you all and we can't wait to see you all in September. We wish you a very happy and healthy summer with all your families.

So this week as your final weeks work we have decided to give you the chance to finish your workbooks at your own pace and have a look at some of the following nice activities .As always we would love to hear from you, let us know how you are getting on and if you have any questions your parents can contact us on our emails.

Father's Day is on Sunday 21st

This is a day when we think of lots of people. It could be your Daddy, your uncle, your granddad, your neighbour, your big brother, your friend..... the choices are endless. These are some ideas.....

We have reached the end of term. We hope that above all you and your families are all healthy and happy. We have missed seeing you since March 12th. We know it has been difficult for everyone.

We will say goodbye next Monday.

Take care.
